POSTAL REGULATORY
COMMISSION
OFFICE OF THE SECRETARY

Docket No. A2011-13

Juanita Clark, Intervenor

REQUEST FOR WAIVER AND NOTICE OF INTERVENTION

My name is Juanita Clark and I reside in Fort Smith, Arkansas. My current mailing address is as follows: P.O. Box 5416, Fort Smith, AR 72913. I am respectfully requesting a waiver from the requirement of online filing so that I may intervene in these proceedings. I do not own a computer and do not have access to a computer. Therefore, requiring me to file online would be a great hardship and effectively prevent my participation in these proceedings. For that reason I respectfully request a waiver so that I may file hard copies of documents in these proceedings.

I desire to actively participate in these proceedings and I respectfully request a hearing or in lieu thereof a conference herein. I would like to receive service of any documents relating to such proceeding addressed to myself, Juanita Clark, at P.O. Box 5416, Fort Smith, AR 72913.

My interest in these proceedings is as follows:

I receive all of my mail at P.O. Box 5416, Fort Smith, AR 72913 and I have maintained this post office box for at least the past three (3) years. I have been negatively impacted by the closing of the postal station located at 3400 Rogers Avenue, Fort Smith, AR 72913.

The Rogers Avenue station is located in close proximity to my pharmacy, shopping, banking and residence. Prior to renting the post office box, I did not feel that my mail was secure at my home address as most of the time it was left in an insecure box in a high foot traffic area. Since renting the post office box, however, I have been confident that my mail

is secure. I have been provided excellent service at the Rogers Avenue station. The wait time has increased over the years but has consistently been shorter at Rogers Avenue than at the other postal stations in Fort Smith. I always felt personally safe at the Rogers Avenue station day and night unlike at other postal stations in Fort Smith.

Closing the postal station at Rogers Avenue and relocating my post office box to 74th Street has had further negative impact on me personally. More specifically, I am forced to drive further to collect my mail which in turn has made it more expensive for me and much more inconvenient. I have experienced much greater wait time at the 74th Street station, therefore, I no longer attempt to purchase stamps at the 74th Street station. Additionally, the traffic and the parking lot around the 74th Street station is congested and it is not located in close proximity to my pharmacy, shopping, banking or residence.

For the above and foregoing reasons, I respectfully request that I be granted a waiver from online filing and that I be allowed to intervene and actively participate in these proceedings by filing hard copies of documents herein.

RESPECTFULLY SUBMITTED:
